Give -A- Lift
Charity Benefit for Paralysis

ONE FAMILY AT A TIME

On December 9, 2006, the Danielle DeMarzo Foundation, Inc. and The SSN Step by Step Foundation, Inc. will sponsor a “Give A Lift For Paralysis” fundraising event in honor of Mr. Stephen Cardea. Stephen Cardea is a quadriplegic. In 2004, Mr. Cardea was paralyzed unexpectedly by a rare hemangioma bleed in his cervical spine. He was not aware of the hemangioma and literally became paralyzed overnight. As a husband, breadwinner and father to a 4 year old and 2 year old, Stephen is in desperate need of our assistance. Mr. Cardea has been fighting to be able to walk again and he has regained movement in his left arm and some movement in his left leg. With the proper medical attention, he will walk again. Unfortunately, insurance only allows minimal physical therapy visits and does not cover alternative treatments (i.e. acupuncture and biofeedback). His medical expenses are outrageous and the family is limited to what insurance will allow. The proceeds from this event will benefit the Cardea Family for Stephen’s recovery.
